- MySQL, Handlebars, Node, Express, Javascript, ORM, Heroku (jawsDB addon), JQuery, CSS

## Experience

### **CO-FOUNDER / ORGANIZER / DESIGNER:**

**2016 - Present | Portland, OR**

#### **Bridgetown Bluegrass Festival (501c3)**

Founded this not-for-profit to help grow a large Portland-based music festival. Oversaw launch and execution. Sourced venues, vendors, bands, and staff. Coordinated the enlisting, training, and scheduling of 30+ volunteers.

- Increased gross income from \$12,000 in 2017 to \$21,700 in 2019: 80% spike in gross revenue achieved in two years by expanding online and print promotion, devising original content to broaden appeal and networking.
- 125% uptick in attendance, from 400 to 900 attendees in two years.
- Enhanced brand awareness by designing all pixel-based and vector graphics, logos, layout, and original artwork for merchandise and promotion leading to increased attendance and on-site sales.
- \$15,000+ in proceeds donated to charitable organizations, most notably Do-Good Multnomah's Women's Shelter.

### **BLUEGRASS BANJO PLAYER:**

**2015 - Present | Portland, OR**

#### **Scratchdog Stringband**

Professional musician in an internationally touring band. Created all graphic design, logos, layout, and original artwork for album production, merchandise, and promotion.

- Received a \$12,364 grant from the U.S. State Department to tour Eastern Russia in 2018 in an educational and diplomatic ambassador capacity.

### **BREWER:**

**2010 - 2019 | Portland, OR**

#### **Burnside Brewing**

Conceptualized, manufactured, monitored, branded, and produced consumer-ready fermented beverages.

- Earned multiple Bronze, Silver, and Gold medals from domestic, and international brewing competitions.
